

What Does SB 1016 Do?

- Changes Compliance Determination
- Eliminates Diversion Rate Calculation
- Greater CIWMB Role in Program Selection
- Brings State Agency AB 939 in Line w/ J's
- Frees Up Jurisdiction Resources
- Frees Up CIWMB Resources

Why Was SB 1016 Proposed?

- Spawned by SB 2202
- Too much attention on numbers
- NBYS were becoming prolific
- Jurisdiction frustration w/ diversion rate calcs
- Too much lapse of time to get a diversion rate
- Jurisdiction willingness to focus on programs
- CIWMB found a willing legislator/sponsor

What Impact Will SB 1016 Have?

- Initial confusion and frustration – takes time
- May prompt “per capita disposal” fixes
- Should enhance more resources for programs
- Will focus more attention on materials being landfilled
