ON THE ROAD TO ZERO WASTING IN CALIFORNIA

DECEMBER 9, 2016 IN SAN DIEGO

DECEMBER 14, 2016 IN CASTRO VALLEY

THE GLOBAL RECYCLING COUNCIL OF THE CALIFORNIA RESOURCE RECOVERY ASSOCIATION INVITES YOU TO A ZERO WASTE BRAIN TRUST WORKSHOP

Come join us on the road to Zero Wasting in California!

We will be applying the Zero Waste USA Toolkit to California and then brainstorming how to best initiate a statewide Zero Wasting Plan. Instead of starting with predetermined outcomes, we will use the tools and discussion to identify opportunities, barriers and next steps.

This is a free workshop for CRRA members. All are welcome! Please register today!
