The Problem Single Use Containers

Non adaptation to Re-Usable

“For those at the bottom of the Zero Waste mountain it is hard to believe it can be climbed. There is no single model, no one set way.”

- *Zero Waste*, Robin Murray

Single Use Disposables Versus Re-Usables

Description

GO Green with GO Box. GO Box offers a reusable take out container service to help you enjoy take out food without those wasteful disposable containers. With GO Box, you get your meal in a reusable, durable take out container and then return it to a nearby drop site when you're done. We pick them up, wash them and return them clean to your
