Education/ Outreach	Extensive print and mailed media Technical Assistance to all Generators (4 FTEs)
Inspection	Hauler responsible for identification, tagging County/Hauler partner on outreach
Policy/ Enforcement	County Code (Sect. 7.20) prohibiting disposal of >5% recyclables in MSW to be modified to include food as covered material. County enforcement. Hauler regulations
Food Rescue	Franchise exemption for rescued/donated food Food rescue to be added to outreach toolkit
Funding	Increased Rates; Charges for Recycling & Organics Dedicated funding in rates for organics facility

Case Study:

San Ramon (October 2019)

Requirement	Approach
Collection	Universal Roll-out, 3-Carts for All, Day 1
Processing	Residential/Commercial processed separately
Education/ Outreach	Flexible outreach planning w/ \$200K/year budget Technical Assistance to all Generators (4.5 FTEs)
Inspection	Hauler responsible for identification, tagging Final contamination/inspection plan based on final draft regulations
Policy/ Enforcement	Early adoption of mandatory requirements to coincide with start of new franchise services Contractor to provide 2,000 CY/year compost/mulch
Food Rescue	Franchise exemption for rescued/donated food Food rescue part of outreach
Funding	Increased Rates Charges for Recycling & Organics SB 1383 Fee to fund City obligations

Next Steps

- 🍃 Define needs and start planning
- 🍃 Identify and secure, or develop organics capacity
- 🍃 Plan/negotiate/procure services
- 🍃 Analyze funding and set rates
- 🍃 Modify ordinances
