RECYCLING UPDATE

March 18, 2025, 8 AM - 5 PM Pacific | Hybrid

	n Rite Center 1547 Lakeside Dr, Oakland, CA
Time & Location	Speaker & Presentation
8:00 AM	Doors & Registration Open, Coffee & Bagels Served
9:00 AM	Welcome to RU 2025, New Venue and NCRA's Commitment to Shuumi. Rematriate the Land.
	Revolutionizing Pharmaceutical Packaging
	Peter Dahab Pillumina, Inc
	What's the Deal with Dealer Cooperatives?
9:05 AM - 10:30 AM	Alina Bekkerman SF Environment Department
Morning	Stakeholder Engagement for Plastic Waste Reduction Initiatives
Sequence One	Rebecca Sage Allen ReCREATE Waste Collaborative
	Petaluma Reusable Cup Pilot
	Leslie Lukacs Zero Waste Sonoma
Auditorium	Cooperative Reuse: Student-led Furniture Exchange
	Tiffany Mar & Lois Tanglao Student Environmental Resource Center at UC Berkeley
	Remembering Arthur Robinson Boone III, founder of Recycling Update
	Ruth Abbe Northern California Recycling Association
10:31 AM	Break #1
	San Jose Conservation Corps & Charter School's Strategy for Zero Waste Education
	Lexie Felix San Jose Conservation Corps + Charter School
	The Importance of Community, Youth, Mentorship and Manufacturing in the Birthplace of Jeans
	Julian Prince Dash HolyStitch
	The Power of Creativity in Sustainable Behavior Change
40 40 414 40 00 514	Shira Lane Atrium 916
10:46 AM - 12:32 PM	
Morning Sequence Two	Rob Hilton HF&H Consultants
Sequence Two	Hidden Threats: How PFAS and Plastics Impact Our Health and Environment
Auditorium	Ravyn Williams, PA-C Taki2Go Hamburglaring Reuse: McDonald's Disinformation Campaign About Recycling Being Better Than Reuse
, taattoriairi	and Its Threat to Policy Progress
	Miriam Gordon The Story of Stuff Project
	The Restorative Power of Landfills, An Underutilized Resource
	Petula Clarkson Royal Academy of Arts
	California Resource Recovery Association Update
	Tracie Bills California Resource Recovery Association
12:33 PM	Lunch at the Merrit Ball Room
	State of NCRA - President's Report
	Freddy Coronado-Barraza Northern California Recycling Association
	Lithium Battery Recycling
1:32 PM - 3:02 PM	Gaby Olson Redwood Materials
1:32 PM - 3:02 PM Afternoon	Scalability of Future Technologies
A 61	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc.
Afternoon	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives
Afternoon Sequence One	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish
Afternoon	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems
Afternoon Sequence One	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept.
Afternoon Sequence One	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County
Afternoon Sequence One Auditorium	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste
Afternoon Sequence One	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2
Afternoon Sequence One Auditorium	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol
Afternoon Sequence One Auditorium	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association
Afternoon Sequence One Auditorium	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction
Afternoon Sequence One Auditorium 3:03 PM	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction Anya Obrez Natural Resources Defense Council
Afternoon Sequence One Auditorium 3:03 PM 3:18 PM - 4:54 PM Afternoon Sequence	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction Anya Obrez Natural Resources Defense Council SB 1383 Procurement Targets to Support Compost Market Development
Afternoon Sequence One Auditorium 3:03 PM	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction Anya Obrez Natural Resources Defense Council SB 1383 Procurement Targets to Support Compost Market Development Jennifer West & Kelly Schoonmaker StopWaste
Afternoon Sequence One Auditorium 3:03 PM 3:18 PM - 4:54 PM Afternoon Sequence Two	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction Anya Obrez Natural Resources Defense Council SB 1383 Procurement Targets to Support Compost Market Development Jennifer West & Kelly Schoonmaker StopWaste Solid Waste Utility Rates and Fees - Risks, Pitfalls, and Opportunities
Afternoon Sequence One Auditorium 3:03 PM 3:18 PM - 4:54 PM Afternoon Sequence	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction Anya Obrez Natural Resources Defense Council SB 1383 Procurement Targets to Support Compost Market Development Jennifer West & Kelly Schoonmaker StopWaste Solid Waste Utility Rates and Fees - Risks, Pitfalls, and Opportunities Erica Parker Californians Against Waste
Afternoon Sequence One Auditorium 3:03 PM 3:18 PM - 4:54 PM Afternoon Sequence Two	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction Anya Obrez Natural Resources Defense Council SB 1383 Procurement Targets to Support Compost Market Development Jennifer West & Kelly Schoonmaker StopWaste Solid Waste Utility Rates and Fees - Risks, Pitfalls, and Opportunities
Afternoon Sequence One Auditorium 3:03 PM 3:18 PM - 4:54 PM Afternoon Sequence Two	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction Anya Obrez Natural Resources Defense Council SB 1383 Procurement Targets to Support Compost Market Development Jennifer West & Kelly Schoonmaker StopWaste Solid Waste Utility Rates and Fees - Risks, Pitfalls, and Opportunities Erica Parker Californians Against Waste The Most Unwanted List: Cross-Study Comparison of Contamination in Outbound Recycling
Afternoon Sequence One Auditorium 3:03 PM 3:18 PM - 4:54 PM Afternoon Sequence Two	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept. SB 1383 Enforcement in Alameda County Rachel Balsley StopWaste Break #2 NCRA Visits the Capitol Bailey Hall & Gwynn Mackellen Northern California Recycling Association Don't Reinvent the Wheel: Municipal Model Policies on Food Waste Reduction Anya Obrez Natural Resources Defense Council SB 1383 Procurement Targets to Support Compost Market Development Jennifer West & Kelly Schoonmaker StopWaste Solid Waste Utility Rates and Fees - Risks, Pitfalls, and Opportunities Erica Parker Californians Against Waste The Most Unwanted List: Cross-Study Comparison of Contamination in Outbound Recycling Amanda Savagian Cascadia Consulting Group
Afternoon Sequence One Auditorium 3:03 PM 3:18 PM - 4:54 PM Afternoon Sequence Two	Scalability of Future Technologies Jessica Jones Waste Management of Alameda County, Inc. Al-Enabled Waste Management: Advancing Recycling and Zero Waste Initiatives Emin Israfil Rubbish Enhancing Solid Waste Programs with Geographic Information Systems Mathew Dorfman City of San Jose Environmental Services Dept.
